Per Section 2-109 Zoning Permit

A zoning permit is required to verify that a proposed use and development will comply with the Code of Ordinance before any activity can begin on a lot. Applications for a zoning permit shall be filed with the written consent of the property owner. Applications shall be reviewed and decided by the Zoning Administrator who shall approve the permit upon finding the application and plans are in compliance with the zoning regulations applicable to the proposed use and lot and any quasi-judicial approval.

Note: If information on this application is found to be incorrect after submission, the permit can be found null and void any stop work orders issued.
