Statistical Section:

The police department responded to multiple calls in April until now. There were 6 reportable incidents and 3 of those requiring further investigation.

Police Department

- Have yet to receive a quote from Central Square for reporting system. I have been told there is a new case manager for this area. Once I obtain that information, I will send information to obtain a quote.
- Gray Charger cannot be inspected due to the control arms in the front. A handwritten quote was given in an amount over \$700 dollars. I would request to use the donation of \$700 the Police Department received a few years ago, along with the remaining budget money to repair control arms and have the vehicle inspected.
- Part-Time officer resigned on May 1, 2023, to swear in with Wayne County Sheriff's Office to better assist with his full-time police role with the NC DHHS Police. NCGS 128-1.1 only allows an officer to be sworn with only two entities. I would like to thank Officer Gerrell for his dedicated service as a part-time Police Officer with the Town of Micro.

2) Shall have, and may exercise, in addition to and not in limitation of the foregoing, the following powers:

- (a) To create such committees as it deems necessary to exercise the powers granted to the Council herein in dealing with problems or problem areas that do not involve all the members of the Council. At least one delegate from each member governmental unit affected by the problem or problem area to be dealt with by the committee is entitled to be a member of that committee. Any two or more member governmental units shall have the right to have a Council committee formed to exercise the powers of the Council with reference to any problem which affects the petitioning governmental units, unless the Council shall reasonably determine that the problem or problem area in question should be assigned to an existing committee, in which case the petitioning member shall be entitled to be represented on said committee. The subject matter over which any committee has jurisdiction to exercise the powers of the Council shall be specifically defined, but may be enlarged or restricted by the Council from time to time. Unless the right of a member of representation on any particular committee granted herein above is asserted, the Chair of the Council shall designate the membership of all committees.
- (b) To accept, receive and disburse in furtherance of the duties, purposes, powers, and functions specified in the Charter all member assessments, funds, grants, and services made available by the State of North Carolina, any other municipality or county or other governmental or quasi-governmental unit or agency, (whether or not a member of such Council) and private and civic sources. The Council may provide matching funds, grants or services, received from any source, to or from any governmental or quasi-governmental agencies established by the Council or any two or more member governmental units in furtherance of the duties, purposes, powers, and functions herein contained. None of the powers contained in this subparagraph may be exercised by any committee except with respect to funds budgeted or appropriated for their use by the Council.
- (c) To meet with, consult with, and act in concert with any county or municipality, any agency of the State or Federal government, any civic organization, or any private organization in the furtherance of the purposes and objects within its jurisdiction.
- (d) To participate, as a unit of local government, in any undertaking with any other unit of local government, whether or not a member of the Council, for the joint exercise of governmental powers in accordance with the provisions of Chapter

160A, Article 20, Part 1 of the General Statutes of North Carolina (and any amendments thereto).

- (e) To contract with any person, firm or corporation for goods and/or services when same have been authorized by budget appropriations or by special resolution of the Council appropriating available funds.
- (f) To adopt Bylaws containing such rules and regulations for the conduct of its business as it may deem necessary for the proper discharge of its duties and the performance of its functions, not inconsistent with the Charter of the laws of North Carolina.
- (g) To create agencies of the Council to act for and on behalf of the Council in the planning and development of particular programs which affect the health, safety, welfare, housing, education, economic conditions or regional development of two or more member governmental units. Such agencies shall have such membership, staff, powers, duties and responsibilities as may be specified in the Council Resolutions establishing such agencies, consistent with powers herein granted to the Council. Provided, however, such agency shall at all times be acting for and on behalf of, and shall be responsible to the Council. The Council may appropriate funds for the use of agency programs which it has received from any source, including member assessments, provided such appropriation is made in accordance with the Charter.
- (h) To contract with and provide services to local governmental units within the Central Pines Region.
- (i) To serve as an informational clearinghouse and, as a reviewing agency with respect to Federal, State and local services or resources available to assist in the solution of problems.
- (j) To request and receive contributions of research assistance from its own agencies, private research organizations, civil foundations, institutions of higher learning, and other organizations.

- (1) To act as the official reviewing agency of the participating governmental units for all programs, Federal, State, or private, requiring regional review.

It is the desire of the membership of this Council to avoid duplication of governmental functions, particularly in the planning and development of future programs in areas of governmental responsibility, and to that end this Council is created, should function, and these powers are given.

ARTICLE XIV

Amendments. Amendments to this Charter shall become effective when adopted by resolution of two-thirds (2/3rds) of the participating governmental units in the Regional Council.

ARTICLE XV

Dissolution. The Council may be dissolved at the end of any fiscal year only (1) upon the adoption of a dissolution resolution by the governing bodies of all member governmental units, or (2) the withdrawal from the Council of all but one (1) of the member governmental units. If such dissolution is affected by resolution of all member governments, such resolutions shall specify the method of liquidating the Council's assets and liabilities. If such dissolution is occasioned by withdrawal of all but one member, the remaining governmental unit shall have the power to liquidate all assets and liabilities and it shall then distribute the net proceeds, if any, to those members who paid the latest annual assessment and in the same proportion. Any deficit shall be the responsibility of those member governments who would have received the net proceeds, and in the same proportions.
