Have agreed to come and participate as a vendor at the Town of Micro Craft and Vendor Fair on Saturday, March 18, 2023.

Vendors will need to provide their own transportation of materials, tables, tents, and chairs as well as power. Vendors need to arrive and be set up ½ an hour prior to event start time and should stay until the end of the event. There will be time after the event to remove your things and vendors lots should be left clean.

There is a \$30 fee for vendors and businesses. This fee is waived for school groups and not-for-profits. Checks may be made out to Town of Micro.

The town will call and email you to let you know your spot number and where it will be located.

Thank you for your interest in participating in our town's event!
